## MARIETTA DAILY LEADER

THURSDAY, MAY 21, 1896

## PERSONAL AND LOCAL.

—Carl Mueller and Byron Tefft, of Cornerville, were in the city last evening.

—The success of the bicycle parade to be given this evening for the entertainment of the visiting West Virginia editors depends altogether upon the spirit of local pride possessed by Marietta wheelmen. The expense of furnishing lanterns for the wheels is cheerfully borne by the Board of Trade and for the ladies, who are especially invited to take part, competent persons will be on hand at the Boat House to attach the lights to their wheels. Let the parade be a success for the honor of old Marietta.

—Mr. Wilson Cook and Miss Ella Mueller arrived from Cleveland Wednesday evening to attend the funeral of Charles W. Holz.

—Joe. Tanzy, of Mempo, Tenn., who has been in the city several days posing as the champion boxer of the South, was arrested by officer Posy Wednesday evening for drunkenness, and disorderly conduct. Shortly before being locked up, he exhibited his pugilistic ability on lower Front street by slapping George Burkhardt without provocation. He will have a hearing before the Mayor this morning.

—Dan. Bergen met with a serious accident at the Auditorium Wednesday evening while participating in the "Reformation" rehearsal. In stepping down off the stage, he tripped on the small chain along its edge, and fell heavily. Dr. McClure was summoned and found his injuries to consist of a fracture of the left arm below the elbow, and a badly sprained back. He was removed to his home on Sixth street, and at last report was resting easy.

—Walter Thayer and Gus. Arnold will go up to Marietta tomorrow where they will play with Arnold's orchestra for the edification of the West Virginia editors.—Parkersburg Sentinel.

—The Second street paving is now complete from Putnam to Ohio streets.

—We sell at our advertised prices to all customers who come to us after looking at the "1/2 off for one day only" prices.

—Miss Kitty Nye, Miss May Riley, Ned Buell, and Lawrence Dana, came down from Marietta to attend Miss Bradenbach's dance.—Sentinel.

—The new tonnage system on the B. & O. S. W., went into effect yesterday. Heretofore trains will be made up, not by a certain number of cars, but by tons; 840 tons will be a train for a Brooks engine, and 940 tons for a Baldwin engine between Parkersburg and Chillicothe.

—Mrs. Isaac Lewis will entertain the Belpre Universalist Church social at her home in Center Belpre, Thursday evening, May 28. Ice cream and a conundrum lunch will be served. A cordial invitation to one and all.

—Dr. R. F. Templeton yesterday received his commission as member of the board of pension examining surgeons for Muskingum county. It is signed by Judge Lochren, commissioner of pensions, who has been appointed to a U. S. circuit judgeship.—Times Recorder.

—Caldwell, O., May 19.—Mr. Elisha Weekly, wife, and nine children are lying at the point of death at their home near this place from the effects of eating poisonous field greens. This is the third time the family has been poisoned within the past year.

—Col. E. C. Brush will be renominated tonight for the Colonely of the First Regiment Light Artillery. This regiment is the pride of the National guard, and its efficiency is due largely to the genius of Col. Brush. He is a thorough military man, and it is fortunate for this branch of the service, that he has consented to be a candidate for re-election. There is not the slightest doubt of his success. The character of the campaign being conducted by Lieutenant Darrow, is enough to bring about his utter defeat.—Times Recorder.

—The U. P. social, of Barlow, will meet with Mr. and Mrs. John Drain, Friday afternoon and evening, May 24th. All are cordially invited.

—B. B. Bosworth received a communication from Bishop Boyd Vincent, a few days ago, entitling him to conduct services as a lay reader in the Episcopal Church, Southern Diocese of Ohio.

## BABY'S COMING.

Nature intended that every woman should look forward to the coming of her baby with joy and hope, unclouded by anxiety. Almost painless parturition is quite the natural thing among civilized people. Even in our own country it occasionally happens with women in robust health and good condition. It ought to be the rule instead of the exception; and it is a fact that a very large proportion of the usual pain and suffering may be avoided by the mother's general health and specially strengthening the particular organs concerned in parturition.

Many mothers have been brought through the trying time almost painlessly by the aid of Dr. Pierce's Favorite Prescription. It prepares the system for delivery by imparting the organic strength and elasticity which the mother specially needs; shortens the time of labor and of confinement; promotes the secretion of abundant nourishment for the child and fortifies the entire constitution against the after period of depression and weakness. It's use should begin in the early months of gestation—the earlier the better.

Mrs. FRED HUNT, of Glenville, Schenectady Co., N. Y., says: "I read about Dr. Pierce's Favorite Prescription being so good for a woman with child, so I got two bottles last September, and December 13th, I had a twelve-pound baby girl. When I was confined I was not sick in any way. I did not suffer any pain, and when the child was born I walked into another room and went to bed. I never had an after-pain or any other pain. This is the eighth child and the largest of them all. I suffered everything that flesh could suffer with the other babies. I always had a doctor and then he could not help me very much, but this time my mother and my husband were along with me. My baby was only seven days old when I got up and dressed and left my room and stayed up all day."
